

Designing a Moving Picture

What do you want your moving picture to look like? Which part of 'The Three Billy Goats Gruff' story are you illustrating? Which parts will move?

Draw a plan of what you want your picture to look like. Write some notes around the design to help you when making it. Remember to use the design criteria to help with your design.

A large, empty rectangular box with a thin black border, intended for students to draw their design plan and write notes.
